CUSO Statistics

All registered CUSOs:	882
Number of corporate CUSOs:	31
Number of wholly owned CUSOs:	648
CUSO reported loans from credit unions:	\$447 million
CUSO reported investments from credit unions:	\$2.1 billion

The majority (74 percent) of CUSOs are wholly owned with only five CUSOs reporting more than 100 credit union owners. One CUSO reports having more than 1,000 credit union owners.

CUSO Credit Union Owners

CUSO Customers

The majority (95 percent) of CUSOs serve less than 100 credit union customers, with 67 percent of CUSOs serving only one credit union customer.

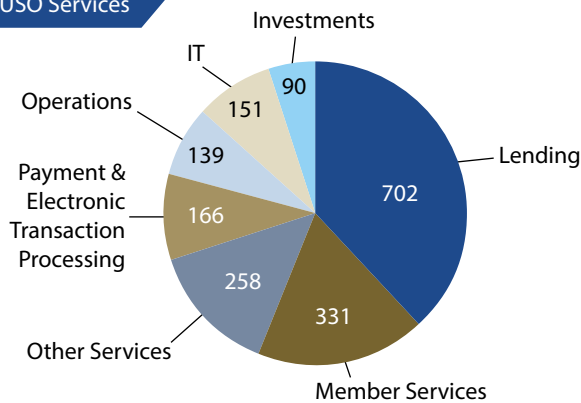

Number of Credit Union Customers

CUSO Services

Many CUSOs offer multiple services to credit unions and their members. The top four CUSO services are lending, member services, other services, and payment and electronic transaction processing.

CUSO Services

CUSOs by State

The graph below depicts the nine states with 30 or more CUSOs. The CUSO's reported state is based on the location of the CUSO's headquarters.

States with 30 or More CUSOs

NCUA is the independent federal agency created by the U.S. Congress to regulate, charter and supervise federal credit unions. With the backing of the full faith and credit of the United States, NCUA operates and manages the National Credit Union Share Insurance Fund, insuring the deposits of more than 102 million account holders in all federal credit unions and the overwhelming majority of state-chartered credit unions.
