Secretary of the Board
National Credit Union Administration
1775 Duke Street
Alexandria, VA 22314-3428

Re: Advanced Notice of Proposed Rulemaking to 12 CFR Part 704

Dear Ms. Rupp:

On behalf of the management and Board of Stamford Healthcare Credit Union, I would like to take this opportunity to comment on the recently issued Advance Notice of Proposed Rulemaking (ANPR) to 12 CFR Part 704.

We commend the NCUA for allowing natural person credit unions the opportunity to express our thoughts and viewpoints as a part of this evaluative process.

Stamford Healthcare Credit Union is \$13 million in assets and has 2568 members, and serves employees, including independent contract employees and volunteers of any medical or clinical facility, or any business that is involved in the production, distribution, or sale of products, devices or services related to the medical field in the Stamford Metropolitan Area (Stamford, Greenwich, Darien and New Canaan); spouses of persons who died while within the field of membership of this credit union; persons related from any of the above employment as pensioners; the employees of this credit union' members of their immediate families of any person within the field of membership; and organizations listed above. Employees of SBC and AT&T and their families located in Stamford, Darien, New Canaan, and Old Greenwich, CT.

1. Role of Corporate in the Credit Union System

Management, staff and board of our Credit Union wants NCUA to know that Constitution Corporate Federal Credit Union is a vital part of our credit union operation. We rely on their services for almost everything we do, ACH, share drafts processing, ATM, Wires, Investments, educational classes relating to current issues, coin and currency orders. The amount of resources and services they provide credit union our assets size and smaller is priceless. While you make your decisions please keep in mind that Constitution Corporate Federal Credit Union's Management, Board and staff are a very hard working member service oriented group of people, not having them as part of our resources will be detrimental to our operation.

Thank You again for the opportunity to comment.

Sincerely,

Rose Coscarelli-Curtis
CEO
SHCU
