Subject: Mid American Credit Union, Rod Calhoun, COMMENTS ON PROPOSED RULE PART 740 - NCUA LOGO CHANGE

If the timeframe for compliance includes all printed items that shows the NCUA logo the 60 day period is too short. It would be very costly to replace our various brochures and advertising materials. The date of compliance should be at least a year after implementation so large stocks of materials do not need to be destroyed.

Thank-you,

Rod Calhoun
