Re: RIN 3133-AD41 – Comments on Interagency Questions and Answers Regarding Flood Insurance.

Dear Ms. Rupp:

The Illinois Credit Union League represents over 400 federal credit unions and federally insured state-chartered credit unions in Illinois. We are pleased to respond on behalf of our member credit unions to the Interagency Questions and Answers Regarding Flood Insurance.

The Agencies request comments on new and revised guidance addressing the most frequently asked questions and answers about flood insurance. The proposed revised Interagency Questions and Answers contain staff guidance for agency personnel, financial institutions, and the public.

We support the revised guidance. The Agencies should be commended for the revisions. We believe these changes will provide more guidance for credit unions and members regarding flood insurance.

We appreciate the opportunity to provide our comments on behalf of our member credit unions to the Interagency Questions and Answers Regarding Flood Insurance. We will be happy to respond to any questions regarding these comments.

Very truly yours,

ILLINOIS CREDIT UNION LEAGUE
