Aloha,

The following are some comments on improving the call report:

- It would be nice if there was an easier way to upload the information to the website, for example - exporting from excel.
- Tab and Enter keys moves the page instead of moving to the next box.
- When you start typing in the box, it doesn't start at the right point, sometimes in the middle.
- On page 7 - It would help to have the count and amount together instead of two different sections.

Thank you very much,
Hawaii Community FCU
