

4 STEPS YOU CAN TAKE TO CONNECT WITH PEERS

DIVERSITY, EQUITY & INCLUSION

NATIONAL CREDIT UNION ADMINISTRATION

IDENTIFY OPPORTUNITIES TO COLLABORATE.

Be thoughtful about how collaborations might improve areas you want to strengthen to support your credit union's vision for DEI.

MAP CONNECTIONS AND REACH OUT

Seek out opportunities to engage and connect with others outside of your typical circles that will help your credit union create a powerful DEI network. Invite and explore a variety of perspectives (internal and external) by including diverse stakeholders.

SHARE IDEAS

Utilize roundtables, virtual discussions, or other peer activities to share best practices and strategies about how to increase diversity and equity in the workforce and maintain an inclusive workplace.

TAKE ACTION

Using your new peer-inspired ideas, move beyond intention to take meaningful action at your credit union to create a deeper culture, mindset, and skill set needed to build greater diversity, equity, and inclusion.
